

REMARKS

The enclosed amendment to the claims and specification places the case in the condition at which the parent application was allowed, and adds the claims that were withdrawn from the parent application in response to the requirement made in the Office Action in the parent application dated 09/18/2002, and responded to on 12/16/2002.

An examination on the merits of this application is respectfully requested.

Respectfully submitted,

  
Terry M. Gernstein
